

# Sunny Day Fund™

## Employers love us.

[Emergency savings] is a real problem. I think your product is cutting edge and empowers individuals to put themselves in control of their destiny.

- CEO in Healthcare

Sunny Day Fund has been awesome, and I know our team members who signed up also really like it.

- CEO in Logistics

## And so do employees!

It excites me... to get closer and closer to that goal... I really appreciate this app.

- Saver for 1.5 years!

Having actual access and support from Sunny Day Fund is the real blessing!

- Saver for 11 months!

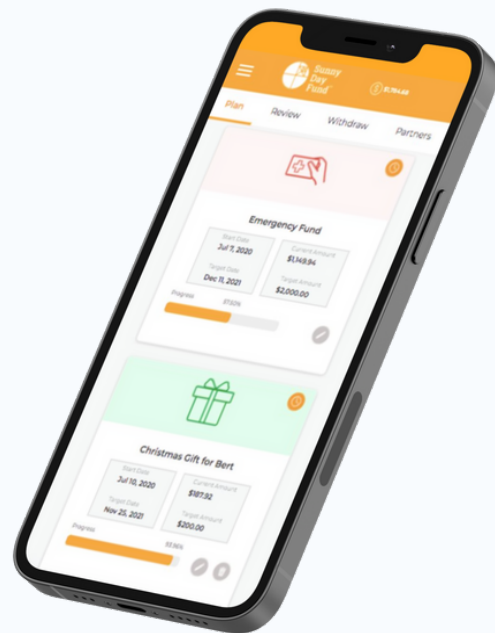

## Did you know?

According to the Federal Reserve, nearly **3 in 4** working families lack the basic three months of emergency savings.

That's why **emergency savings are essential** – they help your employees with immediate financial needs while protecting their future retirement.

## When your employees save, YOU save!

Nearly **9 in 10** workers want workplace emergency savings, and they're willing to join and stay longer with organizations that offer it!

### Better Retention

90%+ retention in participants.

### Better Productivity

6.2% higher productivity with better financial stability.

### Better Well-Being

Lower stress, better health, lower insurance costs.
